

Pediatric Anesthesia Practice

[DOWNLOAD HERE](#)

Pediatric Anesthesia Practice is a point-of-care guide to aid the clinician in the care of children in the perianesthetic period. Pediatric Anesthesia Practice is a vital point-of-care guide to aid the clinician in the care of children in the perianesthetic period. It is a condensed and practical approach to the patient management, showcasing consistent standards that have been tested at the leading children's hospitals world wide. It is divided into three main sections: surgical procedures, co-existing diseases, and regional anesthesia. EAN/ISBN : 9780511275753 Publisher(s): Cambridge University Press Format: ePub/PDF Author(s): Litman, Ronald
