When Kelly Manning learned that her child might have been involved in a baby swap, she confronted the problem head- on. Rich, powerful and dangerously attractive, Nick Lattimer was the only hope she had of finding out the truth. But he had the power to claim both the baby boy she'd raised and the biological son she'd never known. Someone wanted them dead...someone who'd stop at nothing to make sure the babies' cries were silenced forever. There was only one way for Kelly to keep the boys safe. She'd have to join forces with the last man she should trust--and the only person who loved the children as much as she did.
