Discover How You Can Siphon Streams Of Income And Traffic From The Hottest Social Media Site Online! Dear Friend, You've probably heard of twitter by now, unless you've been living as a virtual recluse. Twitter is the fastest growing social media site, and rumors are that it is poised very soon to knock facebook off its mighty throne. Okay, so what, you may think. Well, Twitter isn't just another social media site. The good thing about twitter is that it allows you to send tweets messages of up to 140 characters just like a sort of short message to others to inform them what you are doing. And the potential for a message to spread fast via Tweeter is there. You see, you build followers in Twitter faster than one can say 'viral' when you follow what others are doing. And that's not all. It is so simple to actually build a

list of hungry, rabid subscribers while you have fun tweeting about topics you love! And along the way, people start to listen to the loads of expert advice and interesting stuff you have to say and start to follow you almost religiously. Believe it or not, you could become an online celebrity! Where does this lead to? Well, have you ever bought products that celebrities endorsed or had in their possessions? Of course you have! That is why huge companies such as Nike, Omega and SONY often use movie and sports stars in their campaigns. And that is where your profits will come from- Trust and credibility you built up as a celebrity in your niche. But just don't go out there yet with all your guns blazing. Tweeter does have rules and regulations and it's not as simple as you think to leverage upon it as a marketing tool. However, there is a tried and proven way of doing so, and you're about to discover it. **Twitter Profits Unleashed** This amazing guide is unlike many of the massive 'how to make money on twitter' sites that have sprung up like weeds all over the net You'll be led step by step using proven, tried and tested techniques guaranteed to triple your Internet profits like gangbusters! Tactics and strategies that you will learn include: Defining twitter and having a profile that attracts people like bees to honey! A simple but powerfully effective program that automates your tweets and sends instant direct messages to save you heaps of time! Common mistakes that marketers make in twitter that causes them to be dropped like a hot potato! Utilizing the limited 140 characters to send out short but powerful and eye pulling messages! How to 'passively' market yet have loads of adoring fans rather than an angry mob at your heels! The art of slipping affiliate links or product links inside your freebies without looking like a hard sell! The one key to success in utilizing social media to rope in hordes of free, targeted traffic. Find out how a free product, a giveaway, a squeeze page all combined with Twitter will explode your profits exponentially!
