

Business And The Feminine Principle - Carol R. Frenier

[DOWNLOAD HERE](#)

Business and the Feminine Principle: The Untapped Resource describes in lay persons' language the essence of the archetypal feminine and its potential for business. This book shows both women and men how the feminine principle works in human thought and behavior and what it could mean for business if we gave the feminine principle the same kind of attention and support in the work place that we give to masculine consciousness. Business and the Feminine Principle goes beyond the well-established conversation about the need for feminine attributes in business and invites both genders into an exciting new collaboration. By no means a critique of what is wrong with masculine perception and behavior in business, this book inspires new respect for the integrity of both masculine and feminine energy and their ability to co-create a viable future for all of us. Author: Frenier, Carol R. Publisher: Routledge Illustration: N Language: ENG Title: Business and the Feminine Principle Pages: 00210 (Encrypted EPUB) / 00210 (Encrypted PDF) On Sale: 2012-08-21 SKU-13/ISBN: 9780750698290 Category: Business & Economics : General Category: Business & Economics : Management - General Category: Business & Economics : Entrepreneurship
