Gujarati text and audio language lessons. A survival short course in Gujarati The topics covered in the course include basic words and phrases, questions, descriptions, greetings, directions, locations, days of the week, numbers, time, emergency terms, food, medical terms, human body terms, occupations, relatives, weather and more. There are a small number of military terms in this pack but these are left in as they may be useful in an emergency situation. Eighty percent of the pack is useful basic terms and phrases necessary to travel around.
