Lost Memories Rebecca Airies Honie is trying to regain the lost pieces of her memory. Escorting a small group of shifters, she finds her mate among the crew and is torn between desire and fury. She can't deny her body aches for his, but doesn't know if she can forgive him for leaving her. Mace believed his mate was dead and is elated she's alive. He's determined to break through her anger and uses the journey to reestablish the bond between them. If his words can't soothe her anger, maybe a little hot sex will help. Sparks fly between them and searing glances become heated caresses and sated sighs. But their mission takes them into danger and they'll have to trust each other to survive.
