BOC is comprised of two visionary ministers, Keith Kenneth Michael. In 1990 1994, these brothers-by-birth took this phrase to its height when each gave his life to the Lord Jesus Christ. Unlike their music contemporaries, this duo spent years becoming well groomed and grounded in the Word of GOD before stepping out to touch lives with their music. In 1995 Keith Kenneth yielded to the call of GOD to embark upon ministry starting in their hometown of Dothan, Alabama. Their music has its origin from the Word of GOD. It is not based on stories about hard times and worldly situations, but rather about biblical ways to victory. This is simply because of Mark 16:20 - And they went forth, and preached everywhere, the Lord working with them and confirming the Word with signs following. During the next ten years they would go on to minister throughout the Southeastern United States at churches, youth services, festivals, and concerts. BOC has also ministered internationally having toured in Teagu, Korea in 2002 2003 and Hanau, Germany in 2004. BOC has successfully ministered across denominational, generational, cultural and racial lines by emphasizing the universality of the Gospel of JESUS CHRIST. BOC took a monumental step into fulfilling their divine destiny with their debut release "JESUS REIGNS"in 2002. Now experience the power of the Gospel in their follow up release "ONE LORD, ONE BODY". This music recording is a statement of their uncompromised devotion to ministering the Gospel of JESUS CHRIST. It 's a fresh sound, a new voice, and a timeless message. GOD has truly placed this ministry into the earth for such a time as this.
