Details: Chalice Blade is a pagan vocal group from Vancouver, Canada Wendy, Dennis, Sue and Mojo. We perform traditional Craft songs and original pieces based on the beliefs of Wicca and Paganism. Our music reflects our spiritual tradition - we sing songs which show our reverence for the earth and the balance of the God and Goddess. View our photo gallery ... We all have different musical roots from choir to 70s rock. We met singing pagan music and teaching what we knew, in chant workshops or good old fashioned campfire singalongs. We formed our original band, Parnassus, with some other friends, to bring all those chants and songs together and record them. Six years later the four of us are Chalice and Blade. Our music isnt all pagan, but its all from our hearts. From rocking to sentimental, from sacred to light hearted, were proud of it and we hope it touches you.
