He writes music that truly evokes an emotional response. David writes songs containing themes of hope and healing, and his music has a profound emotional effect on listeners. "Keyboard Meditations" contains a great collection of some of David's very best music. This CD definitely contains music that has therapeutic qualities! Warning: This music that will transport you to place of healing, peace, and relaxation! Memorable melodies are a trademark of David's compositions with quiet inspirational scores with themes of searching, yearning, prayerfulness, gratitude and thankfulness! This CD is great for times of meditation, prayer, and to quiet oneself from the "busyness" that we all get caught up with from time to time! David has written music for television, radio jingles, production libraries and he has produced and/or performed on many recordings, including new age, jazz, gospel, blues, worship music, and choral music. Piano and Keyboards are David's main instruments. In addition, David is a superb vocalist, arranger and clinician. Another CD favorite of David's is "Prayerful Meditations", which contain David's recording of a blend of worship choruses and Hymns featuring David's beautiful piano, keyboard, and scoring skills. He is also actively involved in celebrating the gift of music and creativity in churches, concerts, and workshops. He has just completed a keyboard instruction book, "Jazz Yer Blues" which contains a series of lessons for taking the blues basics and learning how to turn it into jazz. All of David's music is available in notated form...more on David Arivett, his CD's, charts, arrangements, ect can be found at songsofdavid.com People who are interested in Yanni George Winston John Tesh should consider this download.
