

# **Mp3 Eddie Florano - Christmas In The Wintertime: Acoustic & Power Ukulele Style**

[DOWNLOAD HERE](#)

Ukulele Master Eddie Florano strikes again. Combination of power ukulele rock, reggae, dance, country, folk-rock, acoustic, techno-rock, techno-dance music with one of the most recognized warm baritone voices in the Indie world today. 15 MP3 Songs POP: Today's Top 40, ROCK: Ska Details: Ukulele Master Eddie Florano is one of the most influential American musicians in the Indie world today. Grand prize winner of Glory songwriting competition in 2004 but his music has spanned myriad styles from Hawaiian, Island, Gospel, inspirational, pop, folk, reggae, blues, country, rock and ethnic music. He has constantly expanded his musical palette throughout his career, absorbing many other genres including new wave, techno and alternative music. He has a reputation as a songwriting workaholic and branded as one of the fastest songwriters today, having released eight (8) albums in two (2) years under his own name and is known for having composed and recorded many more songs in a snap that remain unreleased. He writes, composes and produces all of his music single-handedly, and plays most, if not, all of the instruments on his albums. Critics and colleagues have referred to the quality of Eddie Florano's work and its versatility as being indicative of musical genius. About the album: Christmas in the wintertime: Acoustic Power Ukulele Style album contains songs in five (5) different languages such as English, Tagalog, Bisaya/Visayan/Cebuano, a little bit of French and Spanish.
