A mainstream rock sound with lyrics that draw you closer to God, and open your spirit to the calling of His Spirit. 10 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Modern Rock Details: Fire By Night was formed in the spring of 2001. Since then it has gone through several members and stylistic changes, but the focus has always remained the same. . .to serve Christ and spread the gospel through our music and our lives. No matter what the venue, We are devoted to making sure that our original songs as well as any others we perform are full of the message of Christ and we refuse to compromise the message no matter the venue or size of the event. We regularly perform and lead worship at youth camps, FCA rallies, revivals, Disciple Now events, block parties, and various other events and we would welcome the opportunity to be a part of your event.
