Urban, HIP-HOP/RAP: Hip Hop Details: This urban R&B singer, songwriter, producer and entrepreneur has definitely put together the right formula for success. With blazing hot singles like "If I Knew," "Love Letter," "The Kind of Brother," "Feels Good Shorty," and "Take A Sip," HCs sexy, sultry, smooth, style of R&B laced with upstate's (The 585 Don) good as it gets beats has definitely created a classic for today that will make HC the legend tomorrow that he aspires to be. Not since the days of Keith Sweat, Guy, New Edition, Boyz II Men, and many more chart topping acts from back in the day "when R&B was doing the damn thing" has an album been so complete. From intro to outro, the Love Dropz album is an eruption, volcanic to be exact, "hot like lava" with fourteen flava's to taste, and if I could sum this album up in one word? It would without a doubt be love. Because that's certainly what he dropz! People who are interested in R. Kelly Keith Sweat Jodeci should consider this download.
