Contemporary Christian music with the intelligence and real-life experience to appeal to adults and the fun and energy to appeal to kids and teens. A real family CD that you can play in the car and know the whole family will enjoy it. 12 MP3 Songs GOSPEL: Contemporary Gospel, ROCK: Acoustic Details: Those who have heard Jade's music will tell you "You NEED to listen to this song, or "Play this song with your kids", or "This song is going to make you cry, but you'll love it." Those who have met her will tell you that she LOVES God, and is all about being small so He can take the credit. Jade is not larger than life. She is just like you and me, yet there is something compelling that shines through in her music. It is this lyrical humility and melody combined into one that draws people to the music and causes them to listen over and over again. Kids learn the words by heart, moms listen to it in their cars, those battling disease or in tough times have used it as a tool to keep their spirits up. There is a song (or more likely many songs) on this CD for everyone. "Jesus Christ is her hero, and it shows. These tunes are bright and very Jesus-centered without being at all preachy. Her voice is clear as the proverbial bell. She has a good time performing and the party is contagious. There's a whole lot to like in One Breath at a Time - miss it and you'll kick yourself for weeks." Kevan Breitingner christianmusic.about.com "Jade is a Christian artist that you don't have to feel that you're taking a risk on. Her message seems to have the encouragement of a mature sister who has been there, and her rich, confident voice will hold tight the attention of any audience. Surely her life experience has given her the professionalism to re-raise the bar we so desperately need in music right now." Keith Smith Event Coordinator Higher Grounds "There is nothing trite, no 'Sunday School-ish' shallow answers in the songs Sholty writes. Her mature lyrics reflect the resolute wisdom of one who has chosen to face real life struggles with faith, hope and love... ..authentic relevance which endears Sholty to her audience. There are many points in the CD when listeners will at

least think to themselves, 'That's exactly how I feel.'" Ken Mowery Indie-Music.com "Her stage presence is captivating and her delivery is at once demanding of your attention, and yet warm and intimate. God and His grace are present and very evident in her music, and Jade's style makes you feel as if she is singing just for you." Gary Schippling Event Director Faithfest Music Festival "... a beautiful, clear voice and an extraordinarily talented song-writer." Ruth Johnson Reno, NV "We were moved to tears, by the beauty of her voice, music AND words. She has a God-given talent, and I hope it will be like a pebble in the waters and spread to reach those in need of God's message..." Liillian De Giacomo Barnard, VT "I just can't thank you enough for inspiring our whole family, especially our teenagers, and helping us to love our faith and count our blessings. You really know how to get all ages to love our Lord through your gift of music." Linda Eck Eck-cellent Entertainment "I can't express in words how much your CD means to me, the more I hear the words the more I fall in love with GOD because I know he loves me. Your entire CD hits home in every aspect of my life and opens my heart to submit more freely to GOD." Lorraine Toro Deerfield, IL
