

Mp3 Jeremy Gloff - America Is Lonely Tonight

A wistful and dark folk-country-Americana album featuring starkly personal and poetic lyrics. 17 MP3 Songs POP: Folky Pop, FOLK: Folk Pop Details: From The Blog Of Jeremy Gloff: AMERICA IS LONELY TONIGHT was my 11th album and here I rediscovered the piano. As my personal life continued to slide into chaos I found comfort and inspiration in the music of Emmylou Harris. You can hear shades of her twang throughout these songs... Many of these songs are frank explorations of my descent into the dark and numbing world of gay internet hookups. The circumstantial psychological damage from this lifestyle can mute ones spirit. There's a lot of self hatred and confusion throughout these songs. Elsewhere on the album are wistful childhood recollections and me coming to grips with time moving forward too fast. Although this album dealt with some heavy and personal issues I still find a lot of magic in these songs. At the time I was fresh and hopeful in a new city. It was exciting to invite some of the best artists in the area to share these songs with me. Songs from AMERICA IS LONELY TONIGHT ended up being used in a documentary about gay cruising online named HOOKED. These songs meant a lot to a lot of people. I hope these songs find you and that you love them too. People who are interested in Emmylou Harris The Sundays Rufus Wainwright should consider this download.
