Blasting out the walls of folk and burning the house down. 11 MP3 Songs FOLK: Power-folk, POP: Beatles-pop Details: KSENIA Say it: "Sane-ya" "If I haven't raised any eyebrows by now, I haven't been living." -Ksenia Mack Ksenia Mack is her own woman, and she makes her own highly individual music. She entertains with an honest, emotional glow. Marilyn Rea Beyer Music Director, WUMB Radio Ksenia Mack's "Letters from the Jalopy" is an artfully produced collection of beautiful and thoughtful songs with captivating melodies, sung expertly with intensity and at times whimsy. Catie Curtis Ksenia Mack is one of the most creative, imaginative songwriters I have encountered. Her songs take you on journeys to new worlds. The music is fresh, the melodies surprising and satisfying. Each song is a complete and unique experience, delivered by a voice that can caress as well as deliver a powerful punch of emotion. Definitely one of my favorite singer/songwriters. Jeannie Deva The Voice Studio Ksenia Mack is an artist's model-- she captures the spotlight without losing the pure sensuality of her style-- a killer blend! John Cate Blue Rose Records recording artist Your CD kicks ass. Shannon, Physicist, Quoted the summer she spend following Phish. BOSTON HERALD "Captivating... A clear strong voice, fine sense of dynamics..." BOSTON GLOBE "Distinctive... Blends cynicism and comic relief..." THE TAB "Exciting... a continually evolving performer..." Blasting out the walls of folk...and burning the house down! By the age of twenty, Ksenia had already been the opening act for Arlo Guthrie, and a regular opening act for the Connecticut famed Shaboo All Stars. While studying classical guitar at the University of Connecticut, Ksenia was established as a contemporary performer in every music hall in the Central Connecticut area. Brandishing a degree in classical guitar, Ksenia left Connecticut to pursue a full-time career as a songwriter in Boston. As a singer, guitarist, songwriter, and studio musician, Ksenia has a point-blank, brilliant performance style that is unrivaled in today's "new folk" era. She has opened for artists such as Willie Nelson Indigo
