The Perfect Christmas Gift for any couple striving to get closer to Christ. If you enjoy inspirational lyrics set to great music "This Moment" is for you. Get your copy today. 12 MP3 Songs GOSPEL: Contemporary Gospel, JAZZ: Smooth Jazz Details: Moments into listening to a song by the husband and wife ministry Lionel Leslie, you find yourself soothed into a place of encouragement. Their style has often been couched as contemporary gospel but make no mistake that their signature clear-crisp music, lyrics, and vocals create their own genre. Although the two have been singing, writing and producing together for more than ten years, they were first recognized for their CD releases Personal Relationship, and Will You Be Ready. The two quickly became household names with their music video I'll Make It Through still in regular rotation on Black Entertainment Television, (BET). Keeping to their charge of encouraging husbands and wives to live according to God's word, Lionel Leslie catapult into the year 2003 with a new CD and book release. The CD, This Moment fluently portrays their love for God and each other as they encourage others with songs like Help You, Grateful, and I Wanna Be In That Number. Their book, And The Two Shall Become One Flesh has been successfully selling internationally and has been critiqued by Pastors as being inspiring, encouraging and a book that once you start reading, you can't put down! Although Lionel Leslie have been blessed to grace the stage with artists such as Helen Baylor, Brother's Keeper, Peggy Britt, Mercy ME, Greg O'Quinn, and Angela Spivey to name a few they are rapidly becoming headliners themselves. Whether you are inquiring about booking Lionel Leslie for a conference, interview, radio play, or just listening to their music, understanding God's word regarding marriage has never been made more clear. Join national award winners, Lionel Leslie as they create for you a soothing and impacting experience.
