Not Without's first release is an eclectic blend of pop, rock and funk with bluegrass overtones. Some songs are hauntingly poignant. Some are just fun. Not Without strives for originality and achieves it in this debut release. 11 MP3 Songs in this album (53:06) ! Related styles: POP: Pop/Rock, POP: Pop Details: Not Without is as diverse and eclectic in age as they are musically. Their music is a quirky blend of fusion and pop with classical, Cajun and rock overtones. Inventive and definitely electric! With the passionate and unique lead vocals of Quad Cities, Illinois native, Emily B. Cooper, the band is well on its way to defining a sound that is all their own. Chicago staple, Jim Kasiewicz, provides innovative, fiery guitar madness and is not afraid when it comes to writing catchy pop and rock hooks. Since being formed in October 2006, Emily and Jim have already penned several finely crafted pop tunes. The entire band has brought their individual talents together to write several frenzied but memorable instrumentals as well. The bands credo is we can play whatever we want we always make it sound like us. The other members of Not Without include home grown drummer / percussionist, Ryan Shepherd, who engineered the bands first CD sampler, bass player extraordinaire, Ian Martinek, and smokin' on violin, Rachel Baiman. Musical integrity and structured randomness - thats Not Without! Tags: pop
