Critics and peers agree, this guy has distinguished himself as one of the most asinine and pointless musicians in the country. 10 MP3 Songs POP: Folkly Pop, ROCK: Adult Alternative Pop/Rock Details: Critics and peers agree, Peter Kovacs has distinguished himself as one of the most asinine and pointless musicians in the country. With the complete lack of sophisticated writing and manual dexterity, Peter empties theaters nationwide of music fans that span generations. Peters low standard of excellence was set from the beginning. Watching such masters as David Hasselhoff, Jim Nabors and John Tesh, Peter was enthralled with the world of music. He failed to excel at a young age and many wondered why he just didnt quit. Touring the country constantly through the late 80's and 90's, Peter failed to win any awards. He also was never featured on "The Tonight Show with Johnny Carson." Peter Kovacs watched many episodes of "The Late Show with David Letterman" in 1995. After most musical guests, Peter explained to himself how he was actually better than the featured performer and would friggin kill if only Daves booking agent would call him back. Peter has now switched to watching "Late Night with Conan O'Brien". Through prolific writing and tireless touring, Peter is the rare artist to never improve his craft. Surprisingly, he appears to get worse year after year. It is the quality of his material, unrelatable to a wide audience and reviled by his peers, which continues to shrink Peter's fan base. In 2005, Peter toured theaters in 40 cities, expanding to 70 cities in 2006 and has yet to sell a single ticket. Lesser artists would have quit long ago. Peter Kovacs doesnt know when to quit.
