

# Mp3 Peter Rundquist - The Sounds Of Monhegan

[DOWNLOAD HERE](#)

Monhegan Island has many voices: crashing waves, songs of migratory birds and the resonance from within the cathedral woods-all are a special part of the island's charm and peace. 8 MP3 Songs NEW AGE: Ambient, ELECTRONIC: Chill out Details: Peter Rundquist walked away from a promising Wall Street career to pursue music full time. While engineering and producing Straight from the Delta, a CD of field recordings performed by Mississippi Delta blues musicians, he became enamored with folk and roots music. He has lent his originality to a number of projects including CLIO award winning advertising, original songs for the Disney channel, and a number of seasons scoring the OObi show on Noggin'.As a co-founder of the group Zoar he co produced Cd's for the Philip Glass' label Point Records
