[DOWNLOAD HERE](#)

Inspired on nature, this beautiful and creative composition present a different and interesting fusion of many styles and instruments that can evoke your imagination far away. 9 MP3 Songs NEW AGE: New Age, CLASSICAL: Contemporary Details: Natural Dream is a musical composition that evokes the imagination and invites your senses to live in harmony and peace, and to relax ourselves before the busy daily life that we lived nowadays. Ren Rivas is a composer whose intentions are to inspire thru his music a sense of serenity that will connect us to our environment, of which we are made up all like part of the same matter. Being citizen of this planet, home of all the living creatures which got the equal rights to live a pacific life with the human beings, the author creates a musical bridge that will connect all the lovers of the nature and life together. Ren Rivas becomes from a family of artists, his father was a flamenco dancer and singer, his mother was a soprano singer, declamatory and actress, that brought their talent to Spain, Colombia and along of South America. Been born in Puerto Rico, his musical inclination begins to materialize at age of 6 years. Nevertheless, it was not until he was 15 that he begins to perform professionally as a composer, arranger, graphical artist and master audio. His musical and artistic adventure initiates to 16 years and with the aid of the technology of the time, an Atari 520 ST, and using the programmed Midi Study, an Ensonic Mirage, a Roland R-8 and a Tascam 4 commercial channels began to create music to be used in and tracks for entertainment. Its passion by the Computerized Graphical Arts also begun during this season thru the use of a 1040 ST Atari and a Toster Video together with the programmed Prism Paint Today, eighteen years later, the artist works constantly with an endless number of tools that allow a versatility of musical creation never seen in other times. The Internet has become an invaluable resource for the creativity of new artists, who look for a place in the musical world to show the universe their talents. Through this massive mass media artists have a new alternative to

show themselves, to shine with their own light and to give to the people the opportunity to enjoy something different, something new, a New musical Era
