

Mp3 The Blake Miles Band - A Darker Shade Of Grey

[DOWNLOAD HERE](#)

A rockin' blues band, in the tradition of Southern Rock, that also includes pop hooks, soul and funk beats, and of course, blazing guitars. 7 MP3 Songs
BLUES: Electric Blues, ROCK: Roots Rock
Details: The Blake Miles Band formed in the fall of 2003 in Memphis, TN, featuring Blake Ryan, Miles Miller, and Ricky Townes. Starting off as a blues trio, the band began playing shows within the first few weeks of existence. Feeling confined by the "blues band" label, The BMB recruited Walter Hughes on second guitar in December 2004, and began to expand on their sound. This process lead to more straight up rock riffs, which the guys thought felt "pretty good". Now including pop hooks, soul and funk beats, and of course, blazing guitars, The BMB is continuing to develop what they consider to be a unique sound, owing much to their Memphis heritage. Not a bad place to be from -- musically!
