Old school music, in the styles of Motown and Stax, with a 70's vibe. 10 MP3 Songs POP: 70's Pop, EASY LISTENING: Adult contemporary Show all album songs: Got To Have Your Love Songs Details: The Gatlin/Smith Duo was created in 2001 by a couple of guys experimenting with new ideas for 70's artists that we are fond of. We wanted to make songs that reminded you, as a potential buyer, of some of your favorite soul artists. Therefore, in the D-Mann Studio, we put our heads together and came up with the album 'Got To Have Your Love.' Darrell Gatlin plays drums, percussions and lead guitar. Clayton Smith plays keyboards, bass guitar, rhythm guitars and percussions. Smith also does all lead vocals and background vocals. Gatlin does some light bass background work and sings lead on the title track. Our songs are the embodiment of true life experiences. These are songs of love and happiness. We all need love and we've 'Got To Have Your Love.' All songs were recorded in New Orleans, Louisiana in the year 2001. This album has been distributed by BMG and Vivendi music. We're trying to bring it back under Smith's label, Claytowne Music. We feel that CD Baby would be best as our distributor. We've been burned before, but this time we feel that CD Baby is what we've been missing. We sincerely hope that you will enjoy the album. It's truly grown folk's music. We've fused pop and soul together to produce a universal sound. If 60's and 70's music is your cup of tea. Then you must have this cd. Darrell Gatlin is currently working on a new solo project. Clayton Smith has released 3 solo albums as the artist Claytowne. He is currently working on a 4th CD. The Gatlin/Smith Duo is from New Orleans. However, Gatlin now resides in Junction City, Kansas and Smith in Newnan, Georgia. We'd like to keep the TG/SD alive and well. The works on this album prove to be uniquely our own and are certain pre-classics.
