3-girl fun sound with a message -- "pop cerebral". Catchy songs you'll sing over and over. Fabulous vocals, deep lyrics, virtuoso backup. Click here. 13 MP3 Songs POP: Today's Top 40, POP: 90's Pop Details: The RadioSirens have a smooth, distinctive sound, look and message that is catching on! Based in Ottawa, Canada, the "pop cerebral" sound ranges from blues/R&B thru M.O.R. thru bubblegum pop. The RadioSirens features 3 talented female vocalists singing originals composed and produced out of Dr L's studio in Ottawa, Canada. Enjoy sweet yet strong pop stylings (think Mariah Carey), supported by strong, full piano-based arrangements (think Elton John "plus"), lush harmonies (think the Bangles) sweetened with guitar. Every song has a story and a message (think Vanessa Carlton). Also, think Anita Baker, the Supremes and even William Shakespeare. You like good vocals with good harmonies? Listen on! You like piano with deep classical and jazz background? Listen on! You like arrangements that "fit the lyrics perfectly"? Listen on! The songs speak. The singers captivate. The backup adds. Close your eyes and you can see. Have a listen! We hope you feel it's worth the time! \*\*\*\*\* WHAT TO LISTEN TO FIRST?? \*\*\*\*\* Can't go wrong with the title track "Fearless" -- straight ahead pop. Then... You like R&B? Try "In this skin" (faster) or "Colors of life" (slower, great piano) You like bubblegum? Try "One kiss too late" or "Prince Charming" You like slow and moving? Try "Secret Sadness" You like William Shakespeare? Try "Silhouettes" or "Beyond the veil" You like Vanessa Carleton? Try "Past lives" \*\*\*\*\* YOU WANNA KNOW MORE?? \*\*\*\*\* Each singer can sing lead. Selected credits: Brianna Szarka was a Canadian Idol finalist 2004, and won the Trillium Kiwanis Club award for pop vocals, 2004 and 2005. Soniya Mukhedkar and Leanne Thorne have won vocal competitions. Enjoy the guitar stylings of Daniel Tarof, who won the "guitar proficiency" award upon high school graduation. And the crazy piano arrangements by Larry Tarof. The creative team is a family collaboration. The composer/pianist (Larry "Dr

L" Tarof) is a fixture on the Ottawa music scene (selected credits: appearances on CJOH [including being profiled] CHRO television, audition accompanist for Mirvish Productions). Jenny Tarof has won academic awards and scholarships. Larry and Brianna were previous collaborators on "Cupid 911", released 2004, which has been warmly received in Ottawa. "Fearless" is the second release for Dr L's microlabel. More info? Check out [radiosirens.com](http://radiosirens.com). Even more info?
