Julie loved Randy, but when a strong, powerful man, a gallery owner named Phillip, entered her life, things began to change. Randy cruelly told her he had lost interest in their lovemaking, but Julie had already begun finding new sexual heights with other lovers. Will she ever look back now that she is finally experiencing the kind of sexual pleasures she had never known before? Excerpt: Julie struggled in the circle of his arms, still torn between the desire to escape and the desire to have her show. She felt his hands now tearing at her panties and she knew that her doom was sealed. She knew that she would have to take command of the situation soon otherwise he would rape her, she would rather give herself to him than allow herself to be brutally raped. She felt herself being pulled back now onto the bed and she watched with frozen horror as he stroked the soft, inner sides of her thighs with deliberate and obvious enjoyment. Then, his hands were there on either side of her. Author: Stiles, Jennifer Publisher:
