

Society And Change In Bali Nyonga. Critical Perspectives

[DOWNLOAD HERE](#)

Contemporary Bali Nyonga is a rapidly growing town of over 80,000 inhabitants, sixteen kilometres southwest of Bamenda, the capital of the North West region, Cameroon. If Cameroon has been aptly referred to in many circles as Africa in miniature, then Bali Nyonga, since its founding in the mid 19th century is emblematic of this so-called 'multicultural' region. This book is about change in Bali Nyonga, but it is also about change in a typical postcolonial African setting grappling with a challenging new world reality. It aims to provide cutting-edge analyses of cultural change in Bali as well as inspire a new kind of scholarship in the Cameroon Grasslands - championed by indigenous intellectuals. The contributors to this volume come from diverse academic backgrounds and as will be evident in the various chapters, their disciplinary perspectives have largely shaped their approaches to the topics under study. Hence, this book draws on anthropological, theological, literary and media studies perspective Publisher: Langaa RPCIG Illustration: N Language: ENG Title: Society and Change in Bali Nyonga.
