Bar None Brigit Zahara After a very upsetting day, Sera heads to Bar None and the solace of the joint's owners, Nate and Fab, her two best friends who, oh yeah, just happen to be vampires. Beautiful, well built and in possession of breathtaking animal magnetism, both Nate and Fab can have any woman they want. But Nate told Sera that sex with a human fires a vampire's bloodlust to the point of frenzy, making it clear that a romantic rendezvous with him or the unusually self-controlled Fab is out of the question. Not that Sera, or any other hot-blooded woman, for that matter, wouldn't be game to take the risk. What do you do when you're in love with two men, but one of them won't touch you because he's afraid he might "love" you to death? When Sera realizes both guys want her as much as she wants them, she teams up with willpower-wizard Fab to convince Nate that a hot, sexy threesome is well worth the danger.
