

Fame And Fortune - Horatio Alger, Jr.

"Fame and Fortune:" like its predecessor, "Ragged Dick:" was contributed as a serial story to the "Schoolmate," a popular juvenile magazine published in Boston. The generous commendations of the first volume by the Press, and by private correspondents whose position makes their approval of value, have confirmed the author in his purpose to write a series of stories intended to illustrate the life and experiences of the friendless and vagrant children to be found in all our cities, numbering in New York alone over twelve thousand.
