City girl Paige Eastman arrives at her recently deceased father's Ocala, Florida, horse ranch to settle his estate, but she finds more than material assets with his business partner, resident cowboy Jake Skinner. The two engage in a hot fling until Paige learns she must sell the struggling enterprise out from under Jake. All Jake wants is a chance to turn the business around since Paige's father nearly ran it into the ground. But his attention quickly shifts to wrangling the hot prima donna who is now his partner. Can they overcome their differences without dousing the fire burning between them?
