Introducing Sonika Eilis Flynn If you had the power to save the world, what would make you give it up? Trained by her parents to use her abilities to fight criminals, Sonya Penn gave it all up after her parents were killed by their archenemy, Gentlemen Geoffrey, turning away from what would have been her life as a superheroine. And yet, when she finds herself drawn to scientist John Arlen, his thirst for revenge against the criminal who murdered his father forces her to confront her choices. She could let herself fall in love with this man, who has secrets he seems unwilling to reveal to her. Or she could finally take up the mission her parents intended her to pursue-even if it means his death or hers. Author: Flynn, Eilis
