Details: 591 is a Hayward, California based rap group. They've been rapping since 1994. The two members of 591, "Plain" and "Fiji Born", both have their own unique style of rapping. Originally from the Fiji Islands, 591 combines their influence of the Islands and the Bay Area to bring a West Coast style of rapping with an Island twist. 591 released their freshman album "Haystatic" in 2003. This was more or less a learning experience. In 2005 they're back with their sophomore album "Blue Skies and Palm Trees". This album has a lot to offer and is currently doing well in the Bay Area. Not to mention the featured line of artists on this album - JT Tha Bigga Figga, Luni Coleone, Sean T, Cam - Drew Deezy Hanz(Metal Mouth Records)Allie Baba, Shadow and more... Wasting no time, 591 has jumped back into the studio, working on their third album (untitled). They already have a song for the radio stations called "Go All Out" featuring Turf Talk and Goldie of The Federation. With the Bay Area "hyphy" vibe, this song's a guaranteed club and street banger! Other featured artists on this album are San Quinn, Dem Hoodstars, Mistah F.A.B, Haji springer, Big Rich of Fully Loaded, FED X of Mob Figaz, Sean T, Eighteen, SCWEEZ, Davina- with more to be added. Already getting local club plays and love from fans and Dj's 591 has a successful and promising future. Doing shows all over the Bay, this duo is heading in the right direction with showing no signs of stopping! myspace.com/591music
