

## Mp3 Angel Tech - Electronic: Pop Crossover

[DOWNLOAD HERE](#)

'Angel Tech' merges blissed-out electronica with the rattle and clatter of a 3-piece guitar band into unique future pop. With almost hymnal melodies Beach Boys harmonies: powerfully minimal one moment, a huge joyous see-sawing wall of noise the next. 9 MP3 Songs ELECTRONIC: Pop Crossover, POP: with Electronic Production Details: This is sci-fi music magic and its very cool Unpeeled Impossible not to fall head over heels, totally and utterly in love with this Subba-cultcha Makes me want to cry tears of unabashed joy. Spill Angel Tech is a short but sweet album packed full of subversive pop stories: futuristic and yet somehow familiar, off-kilter and yet accessible, where a sparkling sonic universe wraps the listener up completely without ever swamping the songs. Like ABBA hard-wired into the Aphex Twin, like Bjork flirting with Billy Bragg - at times joyful, barbed, playful, modern, danceable, intelligent and sometimes just beautiful Angel Tech are Neil, Tim and Doug from Bristol UK.
