

Mp3 Armor Of God - Out Of Egypt

80's style melodic, christian rock recorded by David Huff of David and the Giants. 10 MP3 Songs ROCK: 80's Rock, ROCK: Classic Rock Details: Out Of Egypt is an inspiring piece of work that sounds like it has been recorded in the dark dungeons of a huge stone castle. Each song on this album has been inspired by a different piece of Scripture and Donna Worsham's honey-drenched voice on "The Story" is enchanting. What we have here is a heavy ensamble of electric guitars, keyboards and drums. As tight as you can imagine instrumentally and in production. Cross Rythmns 2002
