

## Mp3 Ben Suchy - Fly Fishing

[DOWNLOAD HERE](#)

Roots-rock folk-funk with a little swampy-stomp. This is his first "band" album as a solo artist. 11 MP3 Songs FOLK: Folk Blues, POP: Folky Pop Details: Ben Suchy's album Fly Fishing takes you to the front lines of the music industry on a roots level. This 11 track album holds songs that have accompanied Suchy and his platoon of musicians as they journey through America's cavernous pubs, green grassed festivals, historic music halls and beyond. This is an organic album that displays Suchy's "band" sound which might take some of his Folk based audience by surprise but deliver them lightly a top a new but energizing groove.
