21st Century Blues 12 MP3 Songs FOLK: Folk Blues, BLUES: Funky Blues Details: Finally we have Coffee Picasso and his band of minstrels available for purchase! It was a long time in coming but finally we have the 21st Century Minstrel on digital wax with his trio performing twelve of his legendary hits like "Nostalgia" and "Prince of Thieves". In an intimate studio setting Coffee took time out of his rigorous touring schedule to record another body of work. Fans everywhere have been raving over his no nonsense approach to recording and songwriting. After receiving rave reviews following his debut on Tribe TV where he had the distinction of being the first artist in the series, he is back with this all new enchanting collection of songs all recorded in live studio takes just like his heroes Muddy, Wolf and Albert did it. Yes Coffee Picasso is definitely a "throwback" bluesman that connects the old world to the new. Once again he has chosen only to release this body of work digitally following the success of his first release. Come one come all and enjoy the thrill of hearing music played and performed in the manner in which it all started. Here we have a minstrel and his songs. ENJOY!! COMING SOON!: SHIPWRECK BLUES
