

Mp3 Brian Henegan - Piano In The Night

[DOWNLOAD HERE](#)

Sensuous and relaxing, yet slipping into the dramatic at many times to play with the emotions , and always inspirational. 13 MP3 Songs CLASSICAL: Traditional, EASY LISTENING: Mood Music Details: Brian Henegan is a versatile pianist and composer in the New York metropolitan area. He specializes in the melodic with expressive fullness and dramatics, to make a single piano become an orchestra of it's own. "Piano in the Night" is his debut CD of his versions of timeless classics and themes, arranged from symphonic works and other sources, not solely those of the standard piano repitioire. Many pieces are meshed with subdued synths. This CD, and others in the collection to follow, are perfect for romance, stress relief, meditation, modern dance or ballet, or any occasion where you want to be transported to a dream world, or just have your soul fed with inspiration. to contact : visit "pianointhenight.com"
