universal rap flavor 15 MP3 Songs HIP HOP/RAP: Hardcore Rap, HIP HOP/RAP: Hip Hop Details:

"Catastrophe" one of Houston's biggest surprises. This hispanic m.c. has got all the tools of the trade.

Known for his original voice and production, his razor sharp flow has an original twist that is bringing rap music something it's been missing for quite a while. This debut album should pave the way for big things to come. Finally, there's some new music worth bumping!
