Artists such as Paul Dempsey and Sarah Blasko. Centipede "Grid One" EP 2005 (MGD Australia)) Centipede - Save Your Cool Soul Album 2004 (MGD Australia) (Extensive National and Community air play, as well as National press coverage, and rave reviews) Safekeeper single 2004 (MGD Australia) Remix for The Church "Parallel Universe" Album 2003 (Cooking Vinyl)(International release) Animation Trailer soundtrack "All Muddled Up" 2003 Music NSW University Campus CD Compilation 2002 Noise Festival / Rolling Stone Magazine Hot Issue Feature and CD Compilation 2001 Noise Festival documentary soundtrack 2001 "Risk" Soundtrack 2001 (Warner Music Australia) Centipede "Polar Lander" EP 2001 (MGD Australia)) Centipede "Ptb" EP 2001 (MGD Australia) Centipede are a five piece live band, with live drums and instrumentation. Centipede's debut album "Save Your Cool Soul" was mixed by Tim Whitten (Powderfinger, The Panics, Art Of Fighting). An enticing melting pot of pure pop, electronica, post rock, and what sounds like the soundtrack to the Atari games of years past. The result is a stunning debut of melodic, catchy, groovy songs that have intelligence and depth. The first two singles from the album (Safekeeper and See Ya Round Sometime) both received a healthy spin on National and Community radio all year.
