hot country blues inspired by walking the talk. 11 MP3 Songs COUNTRY: Country Rock, COUNTRY: Traditional Country Details: if you can't get enough of down home southern fried cookin' or countryfried tunes to match, this collection of richard murrey penned songs will satisfy whatever your taste or earbuds crave! that's richard's brother tony on the cover... heppin' hissef to a mess of joint compound! actually a self-portrait he did for his on-line dating service... and we're happy to report many responses were received and he's still accepting applications and interviewing young healthy vixens to hep him with the "joint" compound. we digress, we're very grateful for being able to use his pic for the cd cover... it does so fit the title, "countryfried"... 'cause sometimes that's what happens out in the vastness of this great agri-conomy... you kinda lose it now and again. the usual band of guys joined in plus whenever you hear a sweet steel guitar, you'll know tony paoletta is massaging the notes... tim lorsch throws in a mean fiddle/dobro too. once again, steven cooper produced and invited into the studio an awesome vocal talent corp... again! enjoy. "she rocked my country"... you're classic country, she comes along with her rock 'n roll and the sparks fly! lance miller tells us about it. "singin' to hear myself"... as a performer, it seems this way sometimes... but you make the best of it. lance miller's been there too. "i'll forget about you"... easier said than done and j.d. coe sings it like he means it. "lovebugs on the windshield of life"... a florida song... for florida bug lovers! ray barnette juli manners have taken that trip. "rhythm of life"... life is good, sweet and what it should be, then there's a missing piece and the rhythm goes all off on you! lance miller sings. "cheatin' on a memory"... even a memory can be powerful and you might need to get permission? sung by lance miller. "can i love you more"... is it possible to love someone "more"? ray barnette puts it out there. "travelin' guitar man"... we've all known people who are genius but are comfortable in a place we just can't comprehend. lance miller sings about willie. "i'm trusting you"... a spiritual rocker about just who

and why we trust each and every day. glenn mayo on vocals. "you're why i'm still here"... you stick around for only one reason, hoping you'll realize a dream someday. juli manners makes it sweet. "walkin' my heart"... you think you do everything right and then something happens, but you ain't giving up on love! lance miller deals it from the heart. the chevy ford band consist of: bubba hudson - vocals, guitar jeff jordan - lead guitar richard murrey - bass steven cooper - keys/drums tony paoletta - steel guitar tim lorsch - fiddle, dobro
