Anti-Nashville Country Folk Rock 14 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: Release date: November 2006 14 songs. For this album Chris went in a more acoustic direction, leaving the drums behind on most of the songs. Although I Dont Want To Talk To A Machine really rocks out, most of the songs on this album are done without a lot of production. Some are just one guitar and vocal. This is an album dedicated to the folksinging troubador who sings songs about things that matter. Twang Music Be sure to check out the other Chris Charles albums here at cdbaby!
