

## Mp3 Daniel Reinstein - Lunar Tics

[DOWNLOAD HERE](#)

With a voice that echoes Roy Orbison, lyrics that conjure Richard Thompson and a folk sensibility that rocks, this CD opens fresh new vistas that feel like home. 12 MP3 Songs FOLK: Modern Folk, ROCK: Folk Rock Details: Daniel Reinstein has been a child psychologist and closet singer/songwriter in the Boston area for over twenty five years. This, his first CD, reflects a poetic and deep understanding of relationship that resonates with a lyricism and mood both intellectual and heartfelt. His band, The Recognitions, composed of seasoned and infinitely creative musicians, play around Boston.
