Relativity is a seamless joining of soul, traditional, contemporary, neo soul, hip-hop gospel music. It moves between the genre with ease and doesn't sound forced or fake. It is the real deal. 12 MP3 Songs

URBAN/R&B: Contemporary urban, GOSPEL: Contemporary Gospel Details: You haven't heard anything like D. Reed Relativity! D. Reed is a young minister from Detroit( the gospel music capitol of the world!). Having come from a town renowned for its music D. Reed's vibe is reminiscent of that of his musical forefathers. While it isn't anything new for an artist to try to blend old and new, very few do so successfully. D. Reed however, does so and it's great. It is a true representation of what Detroit still has to offer. You will be blessed and amazed when you hear Relativity. Are you ready?! Support your independent artists!
