A big voice captures attention early on and delivers a hard hitting portrayal. The slide guitar merges to perfection. It's Country with a classic Metal edge. Solid lyrics, a little blues, some southern rock, with a dose of Country Rock. 12 MP3 Songs COUNTRY: Country Rock, ROCK: Classic Rock Details: For over a decade, the song writing team and core of Hf Bitten Moon has been creating and performing original music in the Midwest. Sean Finley (Vocals, Guitar), Mike Kurtz (Guitar, Backing Vocals), Mike Levin (Bass, Keys, Backing Vocals, Guitar) along with newest member Jimmy Fernandez (Drums, Backing Vocals), are focusing on writing and performing music with strong vocals, melody, and hooks, as well as excellent musicianship. The bands recent writing style (COUNTRY - METAL) has managed to blur the lines between Rock, Country, and Adult Contemporary. This has enabled their music to easily become charted and played in many different genres and venues. Hf Bitten Moon consists of all seasoned pros. Their versatility has allowed them to share main stages in support of many different major label acts. They have performed both collectively and individually in front of thousands of people in many different venues. Some of these venues include The Illinois State Fair, Fort Wayne Katrina Relief Benefit, The House of Blues, Cubby Bear, and Park West as well as live on Mancow in the Morning, a nationally syndicated radio show. They have also been featured on several other radio stations throughout the Midwest including WIIL 95.1 and WLUP 97.9. From their lives in the great North and Southwest, the streets of the south side of Chicago, and even suburban sprawl Hf Bitten Moon brings their collective life experience as well as their honed craft to each endeavor. Never forgetting their roots Hf Bitten Moon is a group of musicians able to cross over charts while delivering relatable musical dignity, superior song writing, and musical energy to people who are longing for it
