Jazz Vocals 11 MP3 Songs JAZZ: Jazz Vocals, EASY LISTENING: Crooners/Vocals Details: Heather Bambrick's voice has been described as a combination of "the cool smoothness of Diana Krall, with the rich honey sounds of Ella Fitzgerald". She has recorded and/or performed at some of Canada's top Jazz events, festivals, and venues with artists like Phil Nimmons, Oliver Jones, Kenny Wheeler, Peter Appleyard, and Darmon Meader. Heather's voice and/or music has been heard on radio and television commercials, in film scores and soundtracks, and on made-for-TV movie soundtracks. She has recorded backing vocals on a number of projects, and remains a consistent success in her live performances. Her stage persona has been described as a "love child of Bette Midler and Jann Arden but not without influences from those big-name Jazz ladies of the 40s and 50s." After spending five years recording and touring with the award-winning Beehive Singers, Heather released her debut solo CD "It's About Time" to rave reviews. In its first month of release, the recording hit #17 in the first ever Canadian National Jazz Chart. "It's About Time" continues to receive regular airplay on Canadian national radio programs, on stations in New Jersey, Florida, and Alaska, as well as on satellite stations across North America. The CD has something for everyone: classic standards, fresh unique arrangements, clever and catchy original tunes, outstanding musicianship, and a sensitive vocal delivery that goes from soft and sexy, to offbeat and quirky, to just plain "swingin'"!!!
