Mp3 Jason Oliver - The Essence Of Bleak

DOWNLOAD HERE

Indie alternative rock 9 MP3 Songs FOLK: Power-folk, ROCK: Grunge Details: this is an album of despondency and depair. my interpretation of the cold grey rains of winter here on the south texas coastal plains. and of the pain life brings to us. partially inspired by Marianne Faithfull's work, I set out to capture that gloomy drizzle of a lost afternoon. All songs written and performed by me. Solo independent indie artist in my home studio. Hope you take time to listen in, some rainy day maybe.
