POp rock 9 MP3 Songs POP: with Electronic Production Details: I Joy Richard live in Denmark. I am sincere, faithful and I wrote all the songs on the album...and of course I have to mention Sren, the wonderful and patient producer who worked with me... Songs/music for me is a kind of therapy, that can actually help an individual emtionally... This is my experience, cofessions of my feelings through songwriting and singing. and a positively feeling of sharing the songs with the world. I am hopefuld that the songs will also help others. I hope you enjoy this songs as much as I did making it. sincerely, Joy Richard
