Kids music adults can stand. 13 MP3 Songs KIDS/FAMILY: Children's Pop, KIDS/FAMILY: Children's Storytelling Details: Leslie Bixler - Composer, Musician, Arranger MOON FOOD: musically nutritious, imagination packed images and melodies that speak directly to kids. Stimulating and universal. Adults will love it. Under her former name, LESLIE LETVEN has had a recording career spanning the last two decades, beginning with her nationwide release MAKE IT RIGHT on SinDrome Records, (which charted to number 12 and still enjoys airplay on adult contemporary radio) and followed by PORCUPINE which expanded to include the singer/songwriter genre, further demonstrating her unique story-telling gift. Musically speaking, MOON FOOD offers stimulating arrangements that incorporate styles of music ranging from rock, jazz, blues, classical and even tango. With co- producer/arranger RALPH CARTER, (who has toured and written with Eddie Money and who now writes for a popular television show), Leslie and Ralph utilized the additional talents of established guest musicians the likes of premier violinist MARIA NEWMAN, jazz pianist DON GRUSIN, reed player BILL BIXLER, accordionist JOELLEN FRIEDKIN and rock guitarist TAKESHI AKIMOTO who currently tours with reggae star Ziggy Marley, not to mention vocal performances by world-renowned DICK VAN DYKE. These top-notch musicians only add to the sparkle of rich imagery and engaging stories called MOON FOOD, creating a package full of wonder and excitement that will delight your children and you for years to come.
