A compelling blend of jazz and new age piano textures. 10 MP3 Songs NEW AGE: New Age, JAZZ: Smooth Jazz Details: Pianist/composer Mike Lemieux has been writing and performing professionally since 1992. His stylistic influences range from new age pianists David Lanz and George Winston to jazz masters David Benoit and Vince Guaraldi; his compositional style bears a strong resemblance to the film and television work of composers Bob James, Mike Post and David Foster. Audiences at Mikes performances delight in the gently flowing rhythms, lush harmonies, and lyrical melodies which are hallmarks of his style. An intimately expressive performer, he evokes the full range of emotion from each phrase, drawing listeners to join him on an ever-evolving journey. Mikes widely acclaimed 2005 debut CD "As You Wish" features ten original solo compositions in his distinctive style. From the poignant melody of Vignette, to the Latin jazz flavor of Soulstice, to the fiery Celtic strains of High Country Freedom, this collection is a thoroughly compelling blend of jazz and new age piano textures. The music from "As You Wish" has received airplay on Idaho radio stations KBXL and KUMC, as well as Whisperings internet radio (solopianoradio.com), the webs premier showcase of meditative piano music. It has also been featured in massage practices and yoga workshops, on guided meditation recordings, and as soothing background music in classrooms.
