Amazing lyrics and melodies capturing the essence of styles from ballads to blues and even bluegrass. Gary's own unique style on 12 string guitar and vocals blended with Jane's pure delivery create the distinct sound that listeners tell friends about. 12 MP3 Songs FOLK: Modern Folk, EASY LISTENING: Soft Rock Details: The music just keeps on coming...Gary and Jane have to write and we are all better off because they do. It comes from the heart and soul of life experiences. Their interpretation and variation of styles will make you listen to the next song, and the next song....you will see something of yourself, someone you know or even your fantasies in their music. That's why music surrounds us in everything we do. And that is why you will enjoy what you hear on their latest CD, "Each Other's Side". Don't skip one selection...you might miss something that sings just to you. Then check out their previous cd, "Sexual Sofa" at cdbaby.com/newrain.
