Details: P.O.G style: My style in my own words is unpredictable sometimes a heart felt life experience and then the next a popular club song that everyone can enjoy. Even with the changes it is still me and my personality. Life is not always the same and hip hop is a way of life so how could I put limitations on it.

background: My background is tricky I had both parents at home and I went to school but somehow I still ended up in the streets. I've been rapping since I was 10 learned from my only brother who was 4 years older than me . I always took rap seriously but sometimes the streets lead you astray when you have 8 syblings and you live in Detroit. motivation: God , my son , my past, and my love for music. influences: My first is my parents because, it takes a strong man and woman to take care of nine children . Musically my brother Da Highlanda 2pac Shakur , Al Green ,Prince, Anita Baker , Marvin Gaye, Little Milton Phil Collins, Red Hot Chillipeppers, and RUNDMC just to name a few. closing comments: TO DENY ME IS TO DENY YOUR FUTURE I WILL PREVAIL LET THE HUNGRY MAN EAT.
