"Fresh" - energetic blend of old school church mixed with a tasteful blend of contemporary grooves. 12 MP3 Songs GOSPEL: Contemporary Gospel, GOSPEL: Traditional Gospel Details: ROLAND POLLARD

"FRIENDS" "Message To The Enemy" is the second project within a 9 month period for the newly founded Gospel Recording Artist - "Roland Pollard Friends". Produced by renown Songwriter, Min. Roland Pollard (Mississippi Mass Choir/Children's Choir, Bishop Paul S. Morton, Walter Hawkins Music Arts Seminar, GMWA Mass Choir and many more), RPF has already proven to be a strong voice in an industry where the message is sometimes "lost" in the music. While this is truly a ministry whose music can easily be performed in any church - RPF takes great pride in reaching those "outside" the four walls of the church with messages of personal deliverance testimonies, songs that will reach audiences of all ages, and of course the Ministry of The Word Of God! With worship songs like "Hungry For You", "Until Your Will's Revealed" and "Take It Away" - the atmosphere is set for true communion with God like never before. But with songs like "He Can Do Anything But Fail", "It's Just All Right" and "You've Got To Learn How To Give Him The Praise", the message of encouragement is clearly delivered in a style that is accepted in any church service. However, it is with contemporary songs like "Message To The Enemy", "Every Step of The Way", "Love Somebody" and "New Creature" - the stage is set to reach a younger audience with a style that is sure to minister on their level (and this does not even include all the song listed on this sophomore project). Ranging in ages between 17-60, "Roland Pollard Friends" endeavors to minister to all ages with every performance - and is excited about "living the life they preach about". Every performance is a CHURCH SERVICE - where healing is administered, the Word of God is spoken, and the opportunity to receive Christ is always presented.
